

ABC

for Gingerbread Boy
and Me!

Starfall Education

Come with Gingerbread Boy and see
Things beginning with A through Z

These full-color photographs evoke intuitive knowledge to connect familiar sounds to letters of the alphabet. Children develop phonological awareness by naming each picture aloud along with the letter that represents its sound.

This book has many pictures
of things from A to Z.

Come along, let's turn the page –
There's oh so much to see!
