

## Starfall Pre-K Resource Guide

Starfall Pre-K is going digital! Many resources mentioned in the Teacher's Guide have been converted from printed products to free digital downloads. Most of the files needed for the program are included as links on the Parent-Teacher Center on the [Pre-K Teacher's Guide](#) page in the right-hand column next to the corresponding week. Some resources are found elsewhere on the [Parent-Teacher Center](#) or as activities on [Starfall.com](#). Others remain available for purchase on the [Starfall Store](#). Use this Resource Guide for assistance in locating these materials.
